

AMENDMENTS TO THE SPECIFICATION

In light of the new drawings, applicant wishes to amend the following portions in the written description.

Please replace lines 8, 9, and 10 on page 6 with: “It should be appreciated, however, that other embodiments ~~are (not shown)~~ such as those shown in Figures 3 and 4 are contemplated in which a portion of one panel comprises more than one half the total area of the sign. Note the movement of interface 20 between Figure 1 and Figure 3. Also note the extension of panel 12 in Figure 4.”

After the sentence ending with “rear doors” on page 5, line 14, please add “For example, an embodiment where the attachments 22 and spacers 24 are replaced with brackets 32 is shown in Figures 5 and 6.”

Please replace lines 9 and 10 on page 5 with “Alternative embodiments are contemplated ~~(not shown)~~ , as shown in Figures 7 and 8, in which the panels are primarily attached by an attachment device 33 to the vehicle or trailer body surrounding the doors. The attachment of the panels is not limited by Figures 7 and 8 as the attachment means can be secured to the roof, bumper, vehicle sides, or any other suitable location.”

Finally, please replace lines 21, 22, and 23 on page 6 with “An alternative embodiment ~~(not shown)~~ , as shown in Figure 9, includes a panel formed having a semi-circular or alternatively shaped “cutout” region for accommodating the sliding bar 30.”
